Student Perception of Teaching Results - FTDM 40333 065 Post-Production

Dear Gregory Mansur,

In this attachment you will find the evaluation results of the Student Perception of Teaching for FTDM 40333 065 Post-Production.

In the first section of the report are summary scores or overall indicators for the three sections of the Student Perception of Teaching: Course Information, Instructor Information, and Student Information. These charts depict the average score for all of the items in that section as well as the range of the standard deviation.

In the next section, you will find a bar chart for each item with the distribution of scores from Strongly Disagree to Strongly Agree, along with the number of responses, the average score, and the standard deviation for each item. Following the individual item results, you will see a chart with a profile line for all the responses.

If you have any questions, please contact the Office of Institutional Research at 817-257-7793.

COMMENTS

In what ways would you change this course to better serve your academic goals?

Great course! I do wish we received some training in Final Cut Pro in addition to Avid MC.

Maybe more projects to edit? ☺

Thought it was good the way it is
